

Chart Clinic Confidential

At this event we'll talk about the terrain, obstacles & airspace designs that turn standard approaches into the unusual. The term "unusual approaches" conjures up images of Aspen, Bozeman, Jackson Hole & just about every airport in Alaska. But unusual approaches are just as common in places like Baltimore, Boston and New York. They're everywhere & can turn a standard approach into a head scratcher at the most inopportune time.

Directions: EAA Pilot Proficiency Center

AirVenture 2016

Venue location: Four Corners (Knapp Street & Celebration Way)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
